

2017 Advanced Placement Exams

If you are planning to take an AP exam at NHS or at any other school site, please read this form in its entirety as it contains important information and exam registration instructions!

INFORMATION TO READ PRIOR TO PURCHASING AN AP EXAM

Taking AP Exams Outside of NHS	<p>If you are planning to take an AP exam anywhere besides NHS, you need to see Ms. Feest BEFORE you register for ANY exams to make sure that we work out any possible scheduling conflicts.</p>																
Taking 2 Exams Scheduled on the Same Day at the Same Time?	<p>See the schedule below to determine which exam you should take on the regular day and which will be taken during late testing week. You can purchase the exam that you'll take at the regular time now – see Ms. Feest to be added to the list of students who need to take the other exam during late testing. DO NOT purchase both exams at this point.</p> <p>Note that if you are taking 2 exams on the same day, but they are at different times, you are expected to take them both on the same day.</p>																
Taking Late Exams and Spring Athletes	<p>The CollegeBoard has a list of circumstances under which a student can take an AP exam during late testing week (the week after regular exams), some of which incur a fee. If you are unable to take an exam on the regular test date/time, see Ms. Feest to discuss whether or not late testing is an option for you.</p> <p>For spring athletes, since it is too early to know whether or not you'll have a conflict due to an athletic competition, you should purchase your exam(s) now. Contact Ms. Feest ASAP if you find out that there will be a conflict. Students who have a sports conflict will be allowed to take a late test at no additional cost, but there must be a true conflict, e.g. if your AP exam is in the morning and the athletic event is in the late afternoon, there is no conflict and you must take the AP exam at the regularly scheduled time.</p>																
Preadmission Sessions	<p>All students who purchase an AP exam MUST attend a preadmission session – if you don't, your exam purchase could be cancelled. Preadmission sessions will be held on the dates listed below in the Theater – students are welcome to attend either session. If you already know that you can't attend either of these sessions for some reason, contact Ms. Feest ASAP.</p> <p>-Tuesday April 11 at 9:25am (report to the Theater immediately after 1st period – you will be excused from TA)</p> <p>-Tuesday April 18 at 11:30am (during 8th period)</p>																
AP Coordinators	<p>Ms. Feest and Mrs. Atkins are the AP Coordinators and Mr. Keith is the AP Administrator. Our contact information is below – the best way to reach us is via email. We are happy to answer any questions you have, but please make sure you've read this form and the "Bulletin for AP Students and Parents" before contacting us – you may find the answer to your question there.
