An athlete qualifying for an “In-Season Team Sport” will be added to Athletics for period 7 and 8 when the coach gives a team roster is given to the Assistant Principal or the counseling department.

An athlete qualifying for a future sport that offers an off-season in periods 7 and 8 can add it providing the change does not impact the master schedule. (In some cases a qualifying spring sport athlete must wait until the start of quarter 3 before entering his or her sport. Counselors will not overload class maximums to accommodate an Off Season athlete.)
