

NORTHWOOD
ORGANICS

Organic Produce Available

We are offering parents of Northwood High a chance to receive Tanaka Farms Organic Produce on an every other week basis. *10% of the proceeds from this program go directly back to the NHS horticulture class.*

Tanaka Farms of Irvine delivers boxes of fresh, organic locally grown produce to NHS. Produce boxes contain seasonal vegetables and fruits – all fresh from the farm! Your student will be able to take delivery of the box and bring it home. Please return the empty box to school to be re-used. Or better yet, send 2 canvas bags to fill and leave the box here!

There are two sizes of boxes you may choose from.

- *Large* contains about 11 different items for \$33 per week.
- *Small* contains about 7 different items for \$23 per week.

This opportunity is offered to you as a service from the Horticulture class.
